

Nicola Dall'Ora, PhD. Student

Born on 18 July 1994 in Verona, Italy. Bachelor's degree in Computer Science obtained in 2016 and Master's degree in Engineering and Computer Science obtained in 2019 at the University of Verona, Italy. Currently a Ph.D. student at the University of Verona at the first year. The focus of the Ph.D. is fault injection in analog circuits described at different levels of abstraction. I am part of the Electronic System Design (ESD) research group in Verona under the Professor Franco Fummi.
